

ORCHARD PRAIRIE SCHOOL DISTRICT 2025 SCHOOL CONSTRUCTION BOND

Bond funds would replace the 1972 building. Example benefits are listed below.

SAFE LEARNING ENVIRONMENT

- Provide a new building with a secure single-point entry
- Clear sightlines from administration to parking lot
- Improvements to drop-off and parking, making students safer

BUILDING CONDITIONS

- Handicap accessible! The current building is not ADA accessible for students, staff, or community members.
- Energy efficient building envelope with lower operating costs

EDUCATIONAL SPACES

- Dedicated space for special education services
- Dedicated health room
- Multipurpose space for fitness, lunch, clubs, and all school activities
- Modern flexible classrooms that respond to ever-evolving technology needs
- Dedicated student service support center.
- Adequate staff space for planning and meetings with caregivers

Additional total state assistance funds of \$2.2 Million.

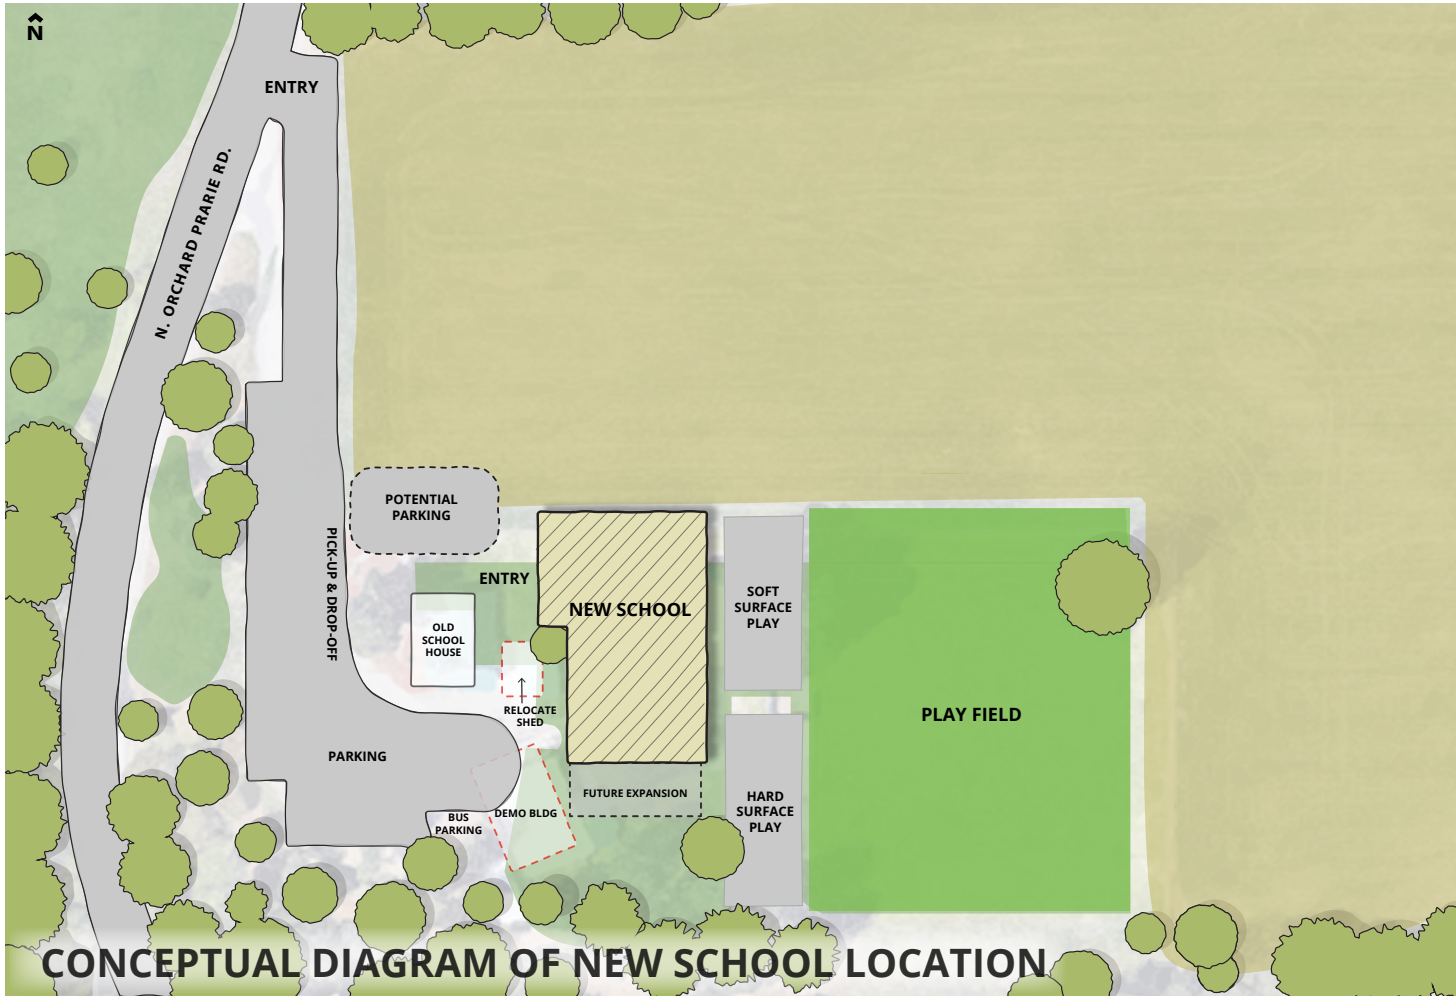

The tax rate for the bond is estimated to be \$2.03 per \$1,000 of assessed property value.

The bond would replace the 52 year old school building pictured above, which has condition, accessibility, and safety concerns. In addition the existing building is too small to house all the students on site.
